

# TONY'S MEATS & MARKET ANNOUNCES MOVE OF DOWNTOWN DENVER MARKET

IMMEDIATE RELEASE

**Centennial, CO, 12/15/2017** – Tony’s is excited to announce the relocation of their iconic Downtown Denver market, currently located on Broadway, to Happy Canyon Wine & Market located at 4960 E. Hampden Ave. in Denver. Details on the official Grand Opening date will be released soon, but the anticipated date is in Spring of 2018.

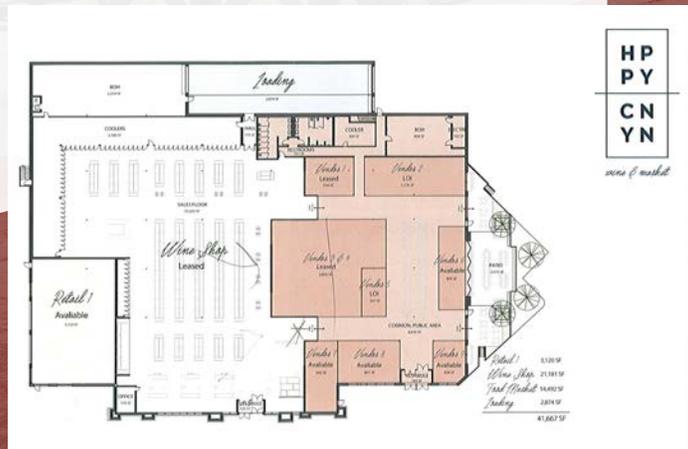

Daniel J. Rosacci, President & CEO, is very excited for the move, stating, “Tony’s has always been known for innovation and uniqueness, so we’re excited to offer our customers a brand-new experience, especially during our 40<sup>th</sup> Anniversary year.”

The move of the Downtown market will create exponential growth opportunities for Tony’s as a business and as a cohesive team. The new market will leverage “The Best of Tony’s” with complimentary businesses in a concept that is similar to Denver Central Market and other collaborative shopping experiences. The team at Tony’s has been studying customer wants and needs for quite some time and the move will allow them to serve their customers on a whole new level. “Tony’s is an experience and we strive to give every customer that walks through our doors an experience to remember. We want our customers to eat well with us.” said Rosacci.

Tony’s Meats & Market, a locally owned specialty butcher shop and market in the Denver Metro area, is headquartered in Centennial, CO as is its commissary and catering divisions. With over 190 employees across four retail locations, commissary, and catering, Tony’s has the best team in place to take care of their customers and their business. Tony’s Meats & Market was founded in 1978 by Tony Rosacci who is still active with the company today.
